Quartz collection is a luxurious short pile velvet with an exceptionally soft touch.

This new easy care woven 100% polyester fabric is exceptionally hard wearing and suitable for extreme contract, domestic upholstery and curtain applications.

All these fabrics pass the BS5852 Part 1 ignition source 0 (cigarette) and ignition source 1 (match) test to comply with the furniture and furnishings (fire safety) regulations (July 1988).

Crib 5 available

IMO certified on request

Dirt and water repellent finish on request

Anti-microbial treatment available

Can also be treated to BS5867 for commercial curtains

Martindale Abrasion 90,000+ rubs

Composition 100% Polyester

Weight 360gm/m²

Width 142cm

Roll length 40m

Cleaning Instructions

To minimise the effects of creasing, we recommend you turn cushions regularly and use a good quality foam interior.

Vacuum regularly to remove surface dust and fluff etc.

A foam cleaner may be used for stains and applied with a large pored sponge or special applicator following the manufacturers instructions.

Do not use a coarse or stiff bristle brush and avoid saturating the fabric with cleaning fluid or water as this could cause discoloration
