A high quality upholstery material with an attractive seam look, which gives the impression of being handmade. The design is fascinating because the seams look and feel like they are real. The crisscrossing virtual quilted seams form classical rhombi which give the material a special elegance and sophistication. co-ordinates with Delta.

IMO FTCP Part 8
100,000 MARTINDALE
TEAR RESISTANT
LIGHTFAST

CRIB 5 BS5852
LONG LASTING
9 COLOURS
EASY TO CLEAN

Material composition

approx 1% PU finish 74% PVC – compound

approx 25% CO – fabric

weight 780g +/- 50 g/m²

Thickness 1.6 +/- 0.2mm

Roll width 150 cm

Roll length 30m

Application / Processing

Suitable for many kinds of upholsteries and coverings in the upholstery industry. Especially suitable for the use in the modern residential and contract area, in public buildings and institutions. Problem-free processing in the usual procedures (sewing, tacking, sticking, nailing). Do not use solvent-based adhesives!

Fabric care

For durable joy with your material, please clean regularly. Pollution by oil, fat and ink must be removed immediately. Clean with warm, mild soap sud and a micro-fibre cloth or a soft hand brush. Please, do not use solvents, chloride, abrasives, chemical cleaning agents or wax polishes. Please note that colourings by jeans or other textiles are excluded from any manufacturer's guarantee.

Special Notes

Our written and spoken technical recommendations, which we provide based on our experience in accordance with the current state of knowledge, are nonbinding and do not constitute a legal relationship and are not additional obligations from the purchase agreement. They do not release the purchaser from checking our products for the intended use under his own responsibility. Otherwise, our general terms and conditions are in effect. All earlier provisions to the contrary hereby become invalid.
