Lush is a high-quality PVC-free upholstery material for the hospitality, office, and public area sectors. The sustainable material is produced using a very robust polyurethane system, which is water-based and therefore solvent-free. The surface resembles calfskin, has a soft feel, and is available in different colours.

## Application / Processing

Suitable for many kinds of upholsteries and coverings in the upholstery industry. Especially suitable for the use in the modern residential and contract area, in public buildings and institutions. Problem-free processing in the usual procedures (sewing, tacking, sticking, nailing). Do not use solvent-based adhesives!

## Fabric care

For durable joy with your material, please clean regularly. Pollution by oil, fat and ink must be removed immediately. Clean with warm, mild soap sud and a micro-fibre cloth or a soft hand brush. Please, do not use solvents, chloride, abrasives, chemical cleaning agents or wax polishes. Please note that colourings by jeans or other textiles are excluded from any manufacturer's guarantee.
