TAHITI

High-quality upholstery material for many applications, especially in the contract area. Its classic leather grain enhances furniture and walls. Thanks to innovative finishing with staynu technology, the material is highly stain-resistant and very easy to clean. This keeps its visual appearance in top form for a long time – no matter what happens

Material composition

approx 84% PVC – compound

approx 16% CO/PES – knitted fabric

weight 740 +/- 50 g/m²

Thickness 1.3 +/- 0.2mm

Roll width 140 cm

Roll length 30m

Application / Processing

Suitable for many kinds of upholsteries and coverings in the upholstery industry. Especially suitable for the use in the modern residential and contract area, in public buildings and institutions. Problem-free processing in the usual procedures (sewing, tacking, sticking, nailing). Do not use solvent-based adhesives!

Fabric care

For durable joy with your material, please clean regularly. Pollution by oil, fat and ink must be removed immediately. Clean with warm, mild soap sud and a micro-fibre cloth or a soft hand brush. Please, do not use solvents, chloride, abrasives, chemical cleaning agents or wax polishes. Please note that colourings by jeans or other textiles are excluded from any manufacturer's guarantee.

Special Notes

Our written and spoken technical recommendations, which we provide based on our experience in accordance with the current state of knowledge, are nonbinding and do not constitute a legal relationship and are not additional obligations from the purchase agreement. They do not release the purchaser from checking our products for the intended use under his own responsibility. Otherwise, our general terms and conditions are in effect. All earlier provisions to the contrary hereby become invalid.
