BS 5867 on request

Martindale Abrasion 40,000 + rubs
Composition 100% Cotton
Weight 450gm/m²
Width 160cm

Cleaning Instructions

Machine wash 40° C or dry clean

To minimise the effects of creasing, we recommend you turn cushions regularly and use a good quality foam interior.

Vacuum regularly to remove surface dust and fluff etc.

A foam cleaner may be used for stains and applied with a large pored sponge or special applicator following the manufacturers instructions. Do not use a coarse or stiff bristle brush and avoid saturating the fabric with cleaning fluid or water as this could cause discoloration
