Washable 30 degrees

Martindale Abrasion 70,000+ rubs

Composition 100% Polyester

Weight 410gm/m²

Width 142cm

Roll length 40m

Cleaning Instructions

To minimise the effects of creasing, we recommend you turn cushions regularly and use a good quality foam interior.

Vacuum regularly to remove surface dust and fluff etc.

A foam cleaner may be used for stains and applied with a large pored sponge or special applicator following the manufacturers instructions.

Do not use a coarse or stiff bristle brush and avoid saturating the fabric with cleaning fluid or water as this could cause discoloration
